### BACKGROUND

Al-Bahar & Bardawil Specialities is proud to carry on the long tradition of service to the construction, engineering and industrial sectors which was previously provided by Specialities Company, founded in 1959.

The Company now benefits from more than 60 years' experience in the Kuwaiti Market.

In 1991, a new branch was opened in Dubai, UAE, to carry out Specialized Contracting activities in the United Arab Emirates.

### **ACTIVITIES**

**Al-Bahar & Bardawil Specialities** is divided into two separate but complementary departments: **Specialized Contracting** and **Commercial Department**.

#### **I. Specialized Contracting Department.**

Construction & Building Materials / Specialised Contractors / Waterproofing / Pool & Tank lining / Industrial Floor Topping & Surface Hardeners / Concrete Repairs / Bridge Repairs / Soil Stabilisation / Resin Injection / Post-Tensioning.

Our Specialized Contracting Department has a wide range of equipment to enable it to implement its work. The expertise of our engineers, supervisory staff and skilled workers is second to none in Kuwait.

#### **II. Commercial Department.**

- A. Construction Materials Division.
- B. Industrial, Fire & Safety Equipment Division.

Large stocks of various products are held in Kuwait to meet the needs of the local market and our sales engineers and technical sales staffs are fully qualified to give advice to our clients on the various lines we handle.

We represent in Kuwait major international companies, each of which is a leader in its field.
